### The Story:

I had to Prebook Leah over the phone and got my Slot at 3pm,so it was just a quick dash up the Motorway for me.

When I arrived I got told that Leah was running a wee bit late,but this didnt bother me as I was offered drinks while I waited.

The 15 mins wait flew by with The help of Hannah who sat down in the Reception area an got chatting to her(she made me feel like she really fancied me)and that was just in reception area,imagine what shes like in the room.

Then Sindy came through and I couldnt believe it when she remembered me from an Earlier visit,so had a chinwaggle with her for 5mins aswell..

Then my moment came,I was shown to the Oriental room ,after a few mins Leah came in,and my Heart nearly jumped out my chest,she is stunning guys.

I had the obligatry rub down, then she grabbed my cock whilst i was still lay on my chest and she started wanking me off real slow, lthen turned over and started licking and sucking her Beutifull breasts,too this she was getting very responsive ,then i went down on the most sweetest shaven pussy,i have seen , i Made her climax Theres no way this was fake as her juices kept flowing out of her Honey pot.

I then got my Love Wand played with and sucked like nothing ive ever experienced before,it was magic..(owo)

She then mounted me an rode me like her life depended on it, she then asked me to fuck her from behind which i readily agreed , now ive seen some sights before but the sight of her arse banging against me,and her pussy lips really gripping my cock was all too much and i came with a shuddering climax.

We then just lay on the bed both exhausted kissing and cuddling for a further 5 mins or so, Youre just Magic Leah , i will cum an see you again for definite.....
