Slim blond and very gentle.

The Story:

again no kissing, no fingers or reverse O.

However after some preliminary cuddling and touching, on went the condom for a very nice BJ bringing me to readiness for sex. She preferred mish and slid me inside and once we started held me very tight shouting "Fuck me" repeatedly. Afterwards, I thought what was I doing if not fucking her but... This was very stimulating and combined with her enthusiasm soon had me exploding inside her - a rare occurrence for me.

We spent some time chatting and cuddling until I reluctantly had to leave. Once we understood each other, a real pleasure and I wish her a successful realisation of her ambitions and wishes.
