very nice, clean and felt very safe, mirrored walls and just a few minutes walk from Harrow on hill tube station

The Lady:

beautiful blonde swedish lady, absolutely gorgeous body, lovely long shapely legs, really nicely shaped tits and a nice pert little bottom. Her pussy is clean shaved and looks stunning. She is absolutely gorgeous guys i promise you.

The Story:

I don't visit girls very often but was feeling horny and found Karens web page and decided to visit. When i arrived i was made to feel most welcome. Karen was wearing a very short mini and very high heels (both of which i really like) When she removed her dress she revealed very nice sexy undies. Have to admit i really love to see ladies in sexy underwear. Karens were white, and she looked as nice as any model you would see in a magazine. To see her standing in front of me in her undies and those beautiful high heels was just mind blowing.

I won't go into too much detail about what we did but Karen gave me a really nice body to body massage, lightly rubbing her tits all over my body and clenching my cock tightly between her legs while i sucked on her gorgeous tits. She then gave exceptional OWO which was taking me to utopia. She really does give a mind blowing blow job. I could have had full sex with Karen but i'm one of those guys when i put a condom on my cock just goes soft and i can't get no feeling when it's covered, but Karen satisfied me fully in other ways.

Without saying anything more except to tell you guys out there to go and see her for yourself. You will see what i mean when i say she is an absolute stunner with a really nice personality.

As i said before, I don't visit girls very often but i am definitely going back to see her in a weeks time for more of that beautiful body. I can't wait.
