### The Story:

The agency has a special offer of ?250 incall for two girls and decided to take advantage. Kristine charges extra for A levels, but still ?300 was a good damn offer to miss. Both ladies greeded me with kisses on the cheeks and they were as tall as me with their high heels and looked stunning in hold ups and little dresses. Too good to be true. I brought a bottle of wine and after drinks we all started touching and the girls undressed touching me slowly. I thought I will explode but calmed myself immediately. A very good start followed by different positions, fantastic A, OWo with both ladies and generally speaking what I would call a super time. The girls seemed to be good friends and open to all suggestions. I stayed more than one hour and left after some long hugs. I feel almost guilty not coming back to them but there are other girls on Alpha that need testing, next time maybe Alice and Marilyn.
