The Lady:

Lovely looking lass - very plump and curvacious. Very pretty face and really nice to chat with.

The Story:

This lady is big and certainly very horny! I've never been with a BBW before and so I was curious but I can now say that I am a real convert.

Not many escorts kiss and few kiss as well as Trisha. I've never been big on kissing but her big soft lips were fabulous and had me hard in seconds - her hands gently working their way into my trousers as we caressed. The thing that I really liked about Trisha is that she is not just big but she is shapely too - hips, thighs and breasts are all well proportioned, just like those ladies in the paintings from the 17th and 18th century.

I had some really good fun with this big lady and she now ranks as number 3 in my all time list of favorite punts (out of 64). I shall not say who number 1 and 2 are but she's right up there with the best.

I'll be back.
