### The Premises:

On this day unfortunately the coffee machine was not working-there was, however,a selection of fine young ladies to refresh other parts. I had timed my visit so as to be able to choose a lady from the early shift and/or the late shift. Knowing that Jade was working the double gave me the opportunity to hold back in selecting, although I was very tempted by Natasha who had just commenced her shift- she was looking very tempting in a black leather dress that was barely there.

### The Lady:

Jade has shoulder lenth blonde hair and is very attractive,in her early 20's and a 36DD.

### The Story:

I was initially ofered a massage, which I declined, offering her one instead,which she keenly accepted and asked if I wanted her to take her clothes off! As if I would have said no! Oh and what a sight those breasts were with large areolas-I have no idea why but something I realy like.

Removing her g-string,which some grateful customer had bought for her from the Kylie collection,apparently with diamantes at the "t"bit,to my eyes Kylie would never had looked so sexy in it.It was a pleasure to massage her young body,even more so when she turned over and I spent some time playing with her fast moistening pussy and I fair enjoyed licking that sheer delight. We moved on to missionary, followed by her on top,giving me the opportunity to suck those lovely responsive nipples. Moved on to doggy,one of my favourities,at which point she asked me if I fancied experimenting with anal. It would cost extra ?30 and was not something she usually offered.Well it was just too good an offer and such a lovely bottie.A change of condom and gently entered her,we then changed position to her on top & wee could see in the mirror. The all round mirror allowed a lovely view and a futher oppertunity to nuzzel into her lovely breasts fininished off coming over them.
