The Premises:

nice flat, close to Royal Oak. Very safe

The Lady:

She's had her hair done, so it's not as straight as in the pictures, but otherwise the pictures are accurate. She is VERY young, not the super-model type. She has a sort of girl-next-door looks

The Story:

Amanda advertises on other websites (A1 select...) too. The people at Angels are particularly helpful, with many "nice" touches - the 0800 number, the SMS with the correct indications to find the place and so on. Amanda is a happy-go-lucky young EE girl, eager to please and who will do everything you want (A, OWO, CIM, although she doesn't swallow), but without much of a technique. If you are looking for young girls, if you're happy taking the lead, and if you overcome the language barrier -which at times is a problem - then Amanda is the girl for you. Me, I'll keep on looking.
