### The Story:

We did things Id only dreamed about, she just knew what I wanted somehow, she put me totally at ease, we talked for a while and then she turned the lights low and boy did we have fun. Lots of kissing and touching and she wore a lovely Basque which pushed her breast right up and they looked lovely. We then went into light bondage which I really enjoyed and on to other things Ill not go into here.

All I can say is I would give her a ten in the sex stakes totally worth all the effort to meet her, Sam your the best Ive been with and I will be back.
