hungarian porn actress, nice body, real tits (c cup) nice full ass. good tan, big round ass, black hair, facially not stunning

The Story:

this girl was going to get pounded long and hard by me, her porn background was tested the the limits as she knelt in front of my and swallowed my cock, she sucked me until i decided i wanted to taste her pussy and proceeded to get into the 69 position. we spent a good 20mins giving each other oral pleasure until it was time for her to mount me, she lowered herself down on to my raging cock and i thrust upward gripping onto her mellons giving them a good squeeze. she moaned with every thrust and this got me going even more, we then moved to some deep mish and some awewome doggy before i spunked my load onto her face and tits...superb pse experience...i shall be back!
