The Premises:

A large, well maintained block of apartments in Sloane Avenue. Very safe. The building has a porter, but don't be put off.

The Lady:

Tall, slender, hour-glass figure. Short blonde Bob style haircut. Very cute arse and small, false tits, but generally very appealing shape.

The Story:

Was greeted in a very friendly manner. I think Karina is new at this game and so was a little shy but enthusiastic. We dispensed with the financials, had a glass or two of wine and got down to business. Started off with a delicate, unrushed OWO which quickly moved onto 69. This seemed to give her particular pleasure and made her extremely wet. After 10-15 minutes of reverse oral, she slipped on the condom and it was down to sex in mish.

I could have finished off there but I wasn't gonna miss out on the main reason for the visit as the agency assured me she would perform anal. True to their word, when I asked she turned over and slowly let me slide into her very very tight arse. After what seemed an eternity of teasing myself in she told me I could go full force....and I duly obliged pounding her arse with all the force I could muster and at the same time giving her a few firm slaps on her cheeks.

I couldn't resist any longer and shot my load deep inside her arse. She seemed to enjoy and made all the right noises. After 10-15minutes of average massage, we went for round two. Slipped on another condom and entered her mish again. This time, she positioned me in such a way that she managed to insert her middle finger right up my arse and it took me no time at all before I shot into her again.

A most pleasant hour and a half with a very friendly, accommodating girl. Her English is ok and with a bit more experience then she could go far. A must for all you A lovers out there...enjoy!
