The Lady:

Now this lady is superb. I had saw her on a earlier vist. I knew the next time i was there i had to make sure and book her. This lady is true one of the best looking girls that i have seen is scorpio. she has a great body, perfect in every way. about 28 years old and is italian.

The Story:

As soon as we got in the room my heat was racing and she calmed me down with a lovely kiss and her great smile i just couldn't wait to get her in my arms. I won't go into detail but not only is this lady a stunner she overs a very naughty g/f experince.she certainly know how to get a man going crazy and her owo was amazing. we got on well and i just wanted more and more of her. I have never been so gutted when our time was up, even thought she said she might get in trouble cause we had ran over. time files when your having fun.

I think i will going back to visit jessica again cause she is wonderful.

thank you
