The Premises:

Hotel, central location. Safe, but eventually rather hot!

The Lady:

Gorgeous. Mid-twenties, long dark hair. 34JJ (yes JJ!) all-natural titties with large areolas. Absolutely fabulous attitude. Very friendly and easy-going.

The Story:

Not a conventional punt, as this was a bukkake event organised by the new boys on the block at Clubbukake.

Frankly, if they can maintain this sort of standard they will go far. Excellent organisation and a wonderful girl. Never having done the bukkake scene before I wasn't sure what to expect, and wasn't sure how I would perform! No need to worry though. I would have expected, I suppose, a quick suck/handjob then "OK lads, time to shoot". Nothing of the sort! Lots of relaxed sucking and wanking. Plenty of scope for (above the waist) groping, and tit fucks, more sucking, more wanking and so on and so on! Denise has a lovely sucking style and eventually ended proceedings by taking various deposits on her tits and face. A few of us managed seconds after yet more sucking and wanking!

There were 10 guys there in total. I think a few were there for the more voyeuristic side of it, which didn't seem to unsettle anyone.

It seems these bukkake-type events are becoming more widespread and I hope Galahad will allow reports on them as they provide an interesting diversion from the usual suck-and-fuck routine!
