The Lady:

Very smart and very well presented - she was punctual. Users of this agency will know that there are no pics of any of the escorts but the description given on site together with some added finer detail provided by the receptionist proved to be (almost) spot-on.

The Story:

Although not a stunner, nevertheless for me she had that much desired ingredient of sex-appeal and this along with a fully inter-active and at times a quite powerful performance meant I didnt last the distance - perhaps in some ways just as well as otherwise I may not have been around to submit this report!
