The Premises:

My hotel room.

The Lady:

Very attractive and exceptionally well presented - she was punctual. With there being no pics I had to fully rely on the information provided on site and the finer detail given by the receptionist all of which proved to be spot-on.

The Story:

One of those dream scenarios where her performance matched her appearance - if I was her age again, I would probably still be there now!! A prized asset on the books of a top agency.
