The Premises:

A top floor apartment in Bayswater, shared with another girl, small but adequate for the purposes stated

The Lady:

Beautiful blonde estonian girl with a breathtaking body, early twenties, see thru black lingerie. A girl who also works in Stringfellows on a part time basis.

The Story:

As soon as Valerie opened the door my jaw dropped, she was much better looking than the web photo's and i had congratulated myself for choosing such a vision. She asked if i wanted a shower and then came to join me butt naked....great start! The following encounter was every bit as good, a full gfe experience and no holes barred!!

We spoke some russian and got on so well that we agreed to meet up the following evening for more fun and frolics, however things turned sour by the time she had asked me to drive round half of London to help her settle in, and rather than see her again outside agency hours i decided enough was enough and told her to sling her hook. Nice while it lasted but these russian girls definitely need to be trusted before allowing them into your life, she really needs to find her own pet dog and then she can treat it the same!!
