Natural blonde with naturally pert breasts. Amazing eyes and great personality overall.

The Story:

Amazing woman. Reached her place about 10 minutes late. She didnt mind. I guess she was a bit nervous when she first saw me but when we actually began a conversation she eased a lot. She asked whether I wanted something to drink. I preferred water. Money matters cleared, she immediately got down to business. Shes an excellent kisser and I really enjoyed her OWO, was quite deep and sensual. I think she does CIM too but I preferred to release my load in her. Had 2 great sessions in one hour and left feeling satisfied. Shes Eastern European but her English is great and therefore you wont feel bored if you're in the mood for a conversation. Anything else lads, mmmm...shes not a clock watcher and OVERALL I WOULD GIVE HER 10/10.
