The Premises:

Hotel room - she does in-calls on a Wednesday in Central London

The Lady:

It is difficult to describe Christina. She is a chameleon - a lady on the outside and a very sexy babe on the inside (or at least underneath her clothes). Beautiful captivating light blue/green eyes, the loveliest voice and upmarket accent, and a very graceful elegance about her. She could be off-putting since is definitely a cut above all the other ladies I have met.

She is new to escorting having fallen on hard times - but I could imagine the complete knock-out she would have been 40 years ago!

Part of the attraction for me is undoubtedly her age _ I just love sexy older women. Having said that her body is great - firm breasts, neat rounded bottom, fantastic slim legs and a flat taut tummy.

The Story:

WHen I had arranged the date and was told her rate was ?200 an hour - I was tempted to say sorry outside my price bracket since it usually is. In this case I am happy I decided to check it out - since the expereince was fantastic!

CHristina is a lovely lady easy to talk to and relaxing to be with. In bed she is all one could expect from an escort. Great BBBJ seems to enjoy having the compliment returned to her lovely neat pussy.

It is difficult to think this lady is old enough to be my mother (just) but at the same time a sexy tigress.

I just wanted to wrap her in cotton wool and cuddle her all day if I could - yet when we got down to it I found the encounter explosive.

I am totally captivated and now looking forward to meeting Christina again and again
