### The Premises:

Sandy's... erm, nothing else to say. If you haven't been, then go. If you have been, then go again. It's the best. I had a small wait this time, which was a bit much for me, seeing the other ladies walk past... aye carumba!

### The Lady:

I always think I'm not going to be surprised when Leah enters the room, but it seems this girl gets more stunning by the second.

### The Story:

See Leah's previous reports, they say it all. It's like I had one wish and it was to spend an hour with a stunningly beautiful lady and have her do everything to me I wanted. What more could any man honestly want?

Thanks Leah, see you soon (with the Jordan vid)

Rx.

Below it asks whether I would recommend this lady to other punters and would I visit her again... I think PunterNet should have a higher option than simply YES!
