The Premises:

Flat near barbican tube station. Entry phone system. Small flat but nice.

The Lady:

Slim black girl, french speaking, but fluent english. Nice smile very relaxed. She is very intelligent. She would make a good companion.

The Story:

She greeted me at the door wearing a clinging evening dress, which showed her curves. Niced relaxed feeling. We talked for a while. The We embraced and kissed, good GFE. She lead me to her small bed room, where she undressed me and I undressed her. I asked her to suck for a while. She started OWO very gently which was OK, she had lovely lips. Then she said, "do'nt come in my mouth", this was a realy downer, for 200 you would expect, above and beyond the call of duty with a smile. Was not happy with price or the service. I have visted her twice the first time she had no towels so I could'nt dry myself after a shower!
