The Premises:

A luxury two bedroom apartment near Piccadilly Circus ? the posh side, not Soho. Good location, convenient for tube, the flat is secluded and discreet. Light buffet and soft drinks provided and most guys brought wine and beer which was shared by all.

The Lady:

Two lovely ladies in their early twenties. Donna and Paris. Donna, slim pale and dark haired. Paris slim with long blonde hair and very ample knockers in the D to DD range. Both are ?porn stars.? Stills of the girls and clips of their movies can be seen at www.johnnyrebel.com

The Story:

Another fabulous Club Fantasy evening. This was the ?nth? Club Fantasy party that I have been to over the last year. Apologies for the fact it?s the first time I?ve filed an FR

As usual two lovely ladies who were eager to please and keen to get involved in all manner kind of randy stuff. A nice bunch of about ten guys. Some of whom came and went and some of whom stayed. Because of the coming and going the ratio was better than it sounds and for ?60 the party is super value for money

Donna particularly enjoys oral and loves CIM ? good to the last drop. It was the second time I?d met Donna at a Club Fantasy party. The first time was in December when she was also a great hit..

Paris can shag for Wales ? and did until it was time to go home. No doubt she will return to London again before long.

Steve runs a good party as is shown by the many guys who have become Club Fantasy regulars. This was a well run, fun evening. The girls were sexy and obliging and got the guys relaxed and created a fun atmosphere.

For any guys out there who are wondering whether a party will be fun or daunting: try a Club Fantasy event, at this price what do you have to lose?
