The Premises:

Standard massage palout / sauna stuff. ?15 at the door for 30 mins.

The Lady:

Older thai lady. Slight blemish on her face. Not sure of her name as she was difficult to understand.

The Story:

I tend to choose older women because they are usually more at ease with themselves, and have used this establishment satisfactorily in the past. Originally asked for ?80 for full personal. In the past I have paid ?60. She quickly agreed. Decline offer of thai massage. A quick hand job followed, maybe one lick of her breasts, and she informed me that touching was extra. Knew I had made a mistake!

A very quick covered blow job got the little man standing, just! She told me to enter her. Not surprisingly couldn't do the deed. A quick oily hand job just got the job done. Left quickly and disappointed.
