The Premises:

Ground floor flat with typical small bedroom. Clean and respectable with a chair for your clothes! No parking outside but plenty of side streets and car parks close to Harrow town center.

The Lady:

Nice looking, tanned brunette with adequate handfuls for tits and a bit of extra weight but nothing you and I don't have. Pleasant to look at and most importantly, to fuck.

The Story:

Offers the standard service so her virgin arse was not on the dinner table unfortunately. Basic massage with lotion, nothing special and no tricks between the thighs. She's a chatty bird so throw in some compliments and you'll get some reciprocation. Turned over and some light petting/titty rub to warm things up before covered oral. Sex followed in a few positions and ended in doggy. All in all, the standard routine but I liked her look and there was a hint of enjoyment from the proceedings which makes a real change from the euro hor-des flooding the market nowadays. Don't go in expecting anything 'special' just a good job of the average service for your 60 notes.
