The Story:

A good "solid" punt. Or was that my cock?

Tia is fairly quiet but just gave me a great VFM half hour. She has a lovely firm body, and to a man twice her age, the whole thing just felt exactly right.

Quick massage, followed by OWO which was enthusiastic and hit the spot. I returned the favour (she tasted great). Sex in cowgirl was followed by missionary which just felt unusually GOOD. (Even she said that!). Finished off by hand over her boobs.

This was not one of those wild crazy, wild, frantic punts, but rather more how I remember good sex with my ex-wife used to be. But enough of her, the bitch.

Recommended - Tia will make you feel good.
