The Premises:

Nice flat in Earls Court. Bedroom is a little on the small size but helps intimacy ;-)

The Lady:

Rather short (about 5") blonde lady from Eastern Europe but one of the nicest and friendliest escorts I have ever been with. She has a superb curvy body with great natural breasts and a pretty face. Better than her website pictures, IMHO.

The Story:

She was wearing a little black dress when I opened the door which showed her curves to perfection and had an immediate effect on the fit of my underwear ;-). I had booked 90 minutes because the agency gives a good deal on that and I fancied a relaxing, unhurried session. I had seen some very good reports on Katie when she was with a different agency so it seemed a safe bet. The lady at the agency was also very helpful and said Katie always got great comments from customers. Anyway, what I got was a very pleasurable time indeed and great value for money.

After a couple of glasses on wine we got onto the bed, where we indulged in some mutual oral until I came, rather catching me by surprise with the speed and intensity of it. Talk about prematu.. (oh . . sod it ! . . Oh well, never mind !) Anyway, after that we chatted and cuddled whilst I gently fondled her breasts I began to feel that stirring feeling down below. More intense fondling and fooling around followed until I could restrain myself no longer. Started off in misionary with some DFK until I exploded inside her, again surprisingly quicker than I expected as it was the second time in under an hour.

The rest of the time was spent with some more wine and chat until my time was up, although I was not made to feel I had to rush out the door on the 90th minute. A third round would certainly have been on the cards but the flesh, alas, was weak !

I had a really great time. It was helped my the fact that I really fancied her, I like small women, especially Oriental and although Katie is neither Oriental or that small (great curves) for me she looked (and was) very attractive and very sexy. A lovely friendly personality and willing manner in bed really iced the cake for me.

A lovely girl and very highly recommended. I will certainly be returning for seconds to see if the next time is better. It sometimes is as I am more relaxed although I have been disappointed in the past as that 'first time magic' was not there. In her case I would like to try though.
