The Story:

Narira is half Spanish half arab. I really wanted to see her, even though shes a bit bigger than the normal girl i would go for (there was also a delicious leggy Italian there), because i was never with an arab girl before. I was not disappointed, She was a very pleasnt eager to please woman. owo and a are on the menu, but I went for my regular reverse massage, oral (with a chocolate Johnny or Seaneen as we cll them after an Irish MEP) and a well oiled swedish Massage between those very ample natural Boobs! Great xxxperience! Narira was quite anxious to ensure I thouroughly enjoyed myself And thanks to her I did. Shucran, my friend!
