The Story:

I decided to visit Morgan again based on my previous encounters which had been amazing and she did not diapoint on this occasion

Morgan bounced into the room with usual bubbly manner and greeted me with a big hug and passionate kisses before I took off her dress to revel her very sexy black underwear, next I removed her bra but I decided for the moment I would leave her panties on as she looked so sexy with the tight material stretching over her firm bottom. Morgan the reciprecated by undressing me followed by more caressing of each others bodies I then sugested that I give her a massage and I gently worked my way around her body til I reached down between her legs and started licking her pussy through the material of her panties then turning her over she told me to rip her knickers off so she could better appreciate my tong on her by now wet pussy I carried on with this for sometime as I could tell she was enjoying it by the way she was relaxed with a big smile and at the same time her nipples were starting to stiffen

Eventually she said as much as she was enjoying my attention it was only fair that she returned the compiment and immeditally started to lick and massage me all over using her tongue action to good effect and before long I was moving all over the bed at the ammount of pleasure she was giving me and soon I could feel my cock rising to attention and I sugested to Morgan that I cum over her breasts no problem she replied with that I sat astride her and rubbing my cock on her nipples soon had me at the point of no return and I released my load all over her wonderful breasts before we both fell back on the bed for a further session of hugs and kisses when our time together came to an end

Once again Morgan many thanks for giving me such a wonderful time and I look forward to my next visit luv Peter xxx
