The Premises:

Clean, safe and warm. The bedroom wasn't dark, which is a bonus. Area safe.

The Lady:

As it says on her website - a BBW. Very voluptuous and very 'presentable'. (Sorry Trish if that sounds clinical - can't think of the right word!)

The Story:

Felt at home as soon as I arrived. Trisha seemed pleased to see me, rather than just going through the motions.

WOW! Talk about taking charge - straight down to it!! Lots and lots of passionate, horny kissing - and Trisha tastes so sweet - which always gets me going. I'm not understating things when I say Trisha really enjoys what she does, and put real energy & imagination into the time we had together. To say I was turned-on is putting it mildly and after 25-30 minutes I couldn't hold back any longer.

We spent the rest of the time chatting. And I'm glad we did as I hate just leaving straight after. I got to know her more and what a wonderful lady she is. Let's put it this way, Trisha knows her own mind and is in complete control.

Will I visit again? You bet. Next time I'll try stretch to an hour but I'm not sure if I could keep up with her!
