### The Premises:

As reported elsewhere. Clean, safe etc.....

### The Lady:

A very sexy girl. Caught a fleeting glimpse of her as I entered the lounge, but she was just on her way through with another punter. Decided to wait until she came back through before making my choice - I'm glad I did.

### The Story:

By no means the best punt I've ever had, but to say this girl is a good fuck is like saying Pele was an average footballer....

Usually when I go for a punt, there are seven different stages :-

1. Massage
2. Oral (recieved)
3. Oral (given)
4. Cowgirl
5. Doggy
6. Mish
7. Cum on tits.

With Martine however, I had to skip stage three, and proceed straight to stage four. Even then, I was only able to contain myself for a few minutes - so stages five, six and seven never got a look in! It's not often that my "gameplan" goes out the window in such a spectacular fashion! Far be it from me to complain, however.

Will definitely be back.

### Service Provider's Rebuttal

Martine writes, "Thanks couldn't have done it without you hunny bunny, but you forgot to mention

stage 8 when we caught you wanking in the sauna. ha ha.."
