Recommended: Yes

Details of Service Provider:

Profile Name: Velvet party girls

Website: <http://www.velvetpussies.com>

Phone: 07716285565

The Premises:

The place was a large 3 story town house. It is clean and modern. There are showers and good facilities. It is central and quite easy to find. Sable directed me in the back entrance! There is a multi storey opposite where I parked and also spaces outside on the road.

The Lady:

There were 4 ladies all together:

Sable 21 is young, fit stunning body, large breasts and legs that go on and on...

Jo 18 lovely, blonde 34DD shaven, very sweet

Summer 20 long hair slim, lovely smile, petite lovely body

Geri 24 blonde, tanned, slim, busty amazing at oral!

The Story:

I got there at 1.55pm was shown in by the host had a shower put on robe and went to meet ladies. They all started with some girl on girl action. All joining in with each other, stripping off. Then geri came over to me and gave me a blow job whilst summer was licking her pussy and arse. She was amazing at owo and I was very close. Then she handed me a condom and once it was on sat on me. Meanwhile summer followed suit and was on top of someone else next to me at the same time getting off with geri which I love to watch.

I asked if I could come over her face and she said yes so I did! Which was great!

It is a relaxed friendly atmosphere at this party. I had a drink and watched what was going on for a bit. Then Sable took me upstairs. She was sucking my cock on the bed when another guy came in. She suggested we both crouch over her face which was nice. She took turns to suck our cocks. Then I went down on her whilst he carried on.

In the end I ended up with her on top of me in her pussy and him in her arse. DP basically. I came again and that was too much for me. She's very sexy!

I went back down stairs and watched some people still at it in the lounge. Summer went down on me whilst I watched sable and Jo getting fucked from behind but I was already totally spent.

I had a great time would definitely recommend this 10/10
