### The Premises:

Innocuous entrance to a flat near Victoria Station , very nice indeed inside , spacious and relaxing .Never tried this agency before but immediately found Max helpful and very prompt , booking dealt with in minutes !

### The Lady:

Jacki was an amazing breath of fresh air ,she is Anglo American , very unusual in this part of town , and first things first she is so friendly and seductive right from the start , she makes you feel just sexy and wanted and appreciated immediately . And I haven't yet started on her bod ! She was dressed in a tight waist hugging basque , tiny knickers and high heels , and you won't find many a more naturally curvy beauty on the planet ! She has the proverbial bouncy bottom to die for which curves away behind luxurious hips and a tiny waist and you know when you see a pair of boobs just oozing to bounce out of the bra you just know how lovely they will be when you are finally allowed them to yourself , and Jacki's are awesome , I don't think I have ever sucked more wonderful big nipples than Jacki's or felt such natural softness but also beautiful firmness in a pair of tits ! Add to that warmth and affection and a lovely nature , obviously very intelligent and sharp witted and all in all my mind was blown !

### The Story:

I had a raging hard on right from go as Jacki really turned me on and after a little chat and drink she took my hand and took me to a lovely bedroom where I was completely seduced but with everything done at my pace and at my wish , I slowly undressed her and drank all the delights of her gorgeous body , I had to massage her so I could feel close to her beauty and I spent a long session worshipping her bum and although Jacki definitely does not do anal she loves her arse kissed and rimmed .She gives the most delightful soft owo , 69 to facilitate the worship of the most delightful pure shaven pussy , sensuous french kissing and with loads of verbal encouragement and writhing of those incredible curvy hips she wrapped me deep inside her juicy puss in mish and I came buckets inside her in a delirious state of joy ! Haven't experienced a girl like this in a very long time , her Americanism is a really unique turn on , I think she fulfills my fantasies of girls from the old 'supervixen ' films of the 1970s , with all their amazing curvy bums and big bouncy tits and awesome shaped hips !Without being too OTT , Jacki is a unique sexy woman with adorable

qualities and has a warm welcoming heart ! Already been back !
