The Premises:

Pleasant location in a large village to the north of Leicester with easy access from all routes, safe, discreet, on-street parking.

The Lady:

Petite, slim, firm body, with long dark hair, aged 26. Very attractive. She also works as a model (see her website).

The Story:

Sara is a pleasant young lady who likes to be treated as such and responds to considerate clients. She is, in my opinion, very good company and her limits are accurately described on her website.

She gets even better when she gets to know you. This was my third visit and without going into detail it was most enjoyable. OWO, CIM were great and she appreciates a gentle approach.

As can be seen from her website, Sara's rates are very reasonable.

Treat her well and she will respond accordingly.
