The Story:

Natalia made me feel easy about using her service in our e-mail correspondance prior to our meeting. This was my first time using such a service.

Natalia turned up on time and dressed as I had requested. She looked fantastic. Her pictures on her website are as good as she looks in reality.

We got chatting for a few minutes and had a drink. She is a genuinely nice person. However before to long, she kissed me passionately and I was hooked. She has a fabulous body and isn't afraid to show it off.

Her tongue and belly button piercings give extra pleasure and I really enjoyed the whole experience.

I really felt comfortable with her and Natalia took things at what ever pace I wanted. She was full of suggestions.

The 2 hours went very quickly and I will definitely return at a later date.
