The Lady:

The only way I can describe Charlize is stunning, classy, a natural beauty, with a massive WOW! factor. Don't just take my word for it take a look on her web site (www.charlize.co.uk) what you see is what you get. actually you get far more than what you see!

The Story:

Charlize greeted me at the door in the most fantastic sexy outfit, a short revealing black dress, lace top stockings and long black boots, she looked gorgeous with her long blonde hair and green eyes. Charlize made me feel comfortable and relaxed straight away, we made our way to the bedroom and immediately started to kiss and I was offered a massage, however once Charlize undressed to reveal her tanned, toned, fabulous body a massage was the last thing on my mind. So we were straight on the bed and Charlize straddling me cowgirl style, she slowly and sensually worked her way down my body to give me the most superb BJ which was followed by some reverse oral. We then started the sex with Charlize on top again, changing positions several times before finishing up doggy style my favourite position, we then relaxed on the bed and talked for a while until the appointment was over, unfortunately all too soon.

So if your looking for perfection look no further Charlize is the best you will find, I will definately be back soon, thank you Charlize.
