The Lady:

36 yr old attractive brunette. 34b with a lovely pert bum. Size 10, toned and tanned - what more can a man ask for? Arrived on time looked smart as requested. In fact looks much younger than 36, I have been in the company of escorts that claimed to be 36, but who looked old enough to be Rebecca's mother.

The Story:

Great Kisser and a non-smoker. She really enjoys her work, gives a great BJ. This girl genuinely cums and is very sensitive down below afterwards. She gets very wet and has very sensitive nipples. Described as adventurous and didn't let me down. We tried different positions and places in the hotel room. She brings out the best in you, and knows how to turn you on. She is a gem!

If you are in Manchester you deserve to treat yourself - I can not rate her highly enough. Knowing my luck I won't be able to book her again after this.

You can't go wrong with Cheshire Companions, they always take care of you. I have seen Annette and Rebecca now, and both have been fantastic! My only complaint is that 2 hours for ?280 is a bit steep, and above market rates. I wish they did 2 hours for ?250, similar to Northern Angels rates.
