The Premises:

It's two years since my last visit to Fantasia and I don't think it has been cleaned since then. The beds, however, are clean and comfortable.

The Lady:

28 years old, very attractive with a lovely smile and easy going manner, long dark brown hair, firm boobs, smooth, shaved legs and an excellent figure.

The Story:

As I drove to Sheffield I was playing David Bowie's 'Diamond Dogs' in the car. A worthy contender for the PunterNet theme tune because sometimes you meet diamonds and other times - well, you get dogs. Danielle is one of the diamonds. She took great care of me, put me at ease and my only concern is that she is so beautiful that not coming too soon is a real problem. If there is better value for 20 quid then I haven't found it. For an extra tenner she will do extras such as watersports and mild spanking. Danielle works on Mondays (with the more mature, but equally lovely, Joanne), every other Thursday and Sundays. Seek her out and if you have to wait for her then believe me you will be glad you did.
