The Premises:

Nice hotel room.

The Lady:

WHat can I say - a very pretty redhead - who when you first meet her seems painfully shy. Also dressed very demurely.

The Story:

Gets going very quickly - cracking body, great flawless skin. There is an old saying "red on top - fire in the hole" This certainly proved to be the case with Vitcoria.

Not sure what her limits were but gives great OWO - enjoys the favour returned on her. Unfortunately we didn't have enough time for 2 rounds - partly because I enjoyed round 1 so much I wanted it to last and partly because I was in a hurry to finish bang on time!

Next time I will make sure we get more time together.

I also want to mention the agency were great - arrived on time at very short notice really impressed!

WHat is it about Newcastle - it seems to be the most consistently great city I have punted in - can't wait to return!
