The Premises:

Small flat just off Cromwell Road in muse area. Small with not many facilities, but OK

The Lady:

As per web site good looking dark Spanish girl.

The Story:

Went for A service as described and as advertised on Allure, when she was with them as Gloria.

Had an OK time, but when popped question about A I was too big. I have a good dick, but not too big to get up other asses without much complaint.

I don't think she is really into A - should not give impression that this is on menu.

VFM 7/10 it was cheap.
