The Lady:

very attractive tall lady very much as described.

The Story:

Leah is a stunner probably even more striking than described.

If i made one mistake it was in only booking to spend half an hour with her.

She made me feel relaxed straight away [probably pushing her breast in my face helped!!]

Determined to get value for money I requested every position possible and Leah happily agreed.

Her O.W.O whilst sitting on my face was probably the nearest to heaven i'll ever get!!!

Sure you'll go down well in Baby Blue Leah.
