The Story:

I had tried to see Leah on a number of occasions but I would ring up at 11.00 am and she would be virtually booked up for the whole day. I rang on the day in question and was pleasantly surprised to find she had a space.

When she came into the room I said "you're very hard to get to see" to which she replied "everyone says that". After our half an hour I can see why she is so popular. A proper gfe was had, not rushed at all, Leah was pleasant to talk to and wow she can french kiss! only ever having oral my willpower was tested to the full and I still regret it as I type. Never mind. Thanks for a great time Leah, Jimmyxxxxx.
