Tall, dark, gorgeous babe. "Extremely fit" pretty much sums things up.

The Story:

You can't fail to love this woman.

Without doubt, Leah has the warmest and friendliest personality of any WG I've come across. And on top of that she's one sexy girl.

On the face of it, nothing special action wise - OWO and sex in a couple of positions. But, the combination of kisses and cuddles, loads of eye contact, a beautiful smile and Leah's winning personality made this experience something special.

The website claims she offers a true GFE and who am I to argue.
