The Premises:

as described in other reports, this is a clean & tidy establishment that is tastefully decorated & soft on the eye! 10 out of 10 here!

The Lady:

slightly tanned brunette average height,nice soft skin .

she has a nice round & smooth arse that you can stroke as much as you like! nice soft breasts with suckable nips! lovely tight juicy pussy!

The Story:

went for the works at ?60!

this meant a good rub down with lots of ball stroking! great!

then onto a bed for lots of body to body contact! she doesn't object to wondering hands!

then on with the rubber for lovely deep gentle oral! mmmmmmm nearly popped there & then! then

i gave her lots of oral! i sucked her erect clit and she moaned in a believable manner! no false attempts at sounding aroused!(she tasted great)!

lastly into her wet pussy which she purred for me to enter! rode her deep & hard! she said that was how she liked it. came after an unrushed shag that was tight,wet & fulfilling!
