The Premises:

Nice and safe house in the country near Whitchurch. Parked on drive no problems.

The Lady:

Attractive lady in late thirties with the sexiest eyes and smile. Lovely figure. Dressed for me in red PVC gloves, white holdups and some gorgeous red high heels. Just wonderful really.

The Story:

Straight up to the bedroom where Jan undressed me. Lots of French kisses and fondling. Jan then went down on her knees and gave my straining cock a fantastic session of oral. Her deep throat is awesome. On to the bed for some great 69 and then on with the mac for some seductive shagging. Jan on top then doggie as Jan likes this. Lasted out enough to make Jan cum then she whipped off the mac, went down on me and drank the lot!! Lay there cuddling and talking until Jan decided really demanding and took my cock in her mouth again. Soon had him taking notice. She sucked and wanked me until I came in her mouth again. God I thought my legs were made of rubber!! No rush to get me out. Jan is a great lady who is great to talk to as well. Looking forward to seeing you again soon Jan. Thanks Love Tony X
