The Lady:

I saw Alice in the past, she is the same, tall, slim with great breasts and cute bum, Julia is smaller but great personality, Louisa is new to escorting but has great potential.

The Story:

It is always a pleasure to speak with Alpha's receptionist, she gives the most precise information and always makes discounts for booking several ladies. I had great memories with Alice and decided to book her again with Julia and Louisa. I didn't know that Julia is so nice I would come again just to see her. Louisa has big lips great for bj and her eyes are shining intensely. Although she didn't speak very much, she was very cuddly and soft. Great touch! I came after only 5 min and we made a contest to see who comes more, me or the girls. The beat me up, was too exhausted after I came the third time and anyway I stayed extra. Altogether great experience, OWO, CIM, OWO and the pic of the 3 girls smiling from the big bed will follow me until the next time.
