The Story:

Made an appointment, arrived early, had a drink, whilst chatting to Kelly and the friendly maid. Moved to the bedroom, money's exchanged and Kelly told me to get my kit off (who am I to argue). Lots of kissing and fondling before it was time to go for the assisted shower. In the shower Kelly was great at getting things going whilst insisting on covering every part of my body with shower gel, with lots of attention to one important part of my body which was responding, a lot more kissing and fondling before Kelly told me to wash her, how could one resist.

Moved to the bedroom, Kelly assisted with drying my back and legs before the lovely massage, excellent massage of my back, before she turned her attentions to the lower half of my body. After several minutes of this she told me to get on my knees, whilst she fondled my bum and another bit that was somewhat outstanding. Eventually I was told to turn over and Kelly proceeded to give the front of my body some lovely attention, including a lot more kissing. Moved on to the oral (covered as always at Debbie's). This went on for ages, with Kelly knowing exactly when to stop and start again. Moved on to the main event, where I eventually finished in the missionary position, Kelly continued to kiss and cuddled me whilst I was performing. Well I enjoyed it and hoped she did as well. Kelly cleaned me up and sadly my booking was over.
