The Story:

Sat in waiting room and was introduced to Jade and Becky. I saw Jade the previous week and half the fun of this is someone new every time so I opted for Becky. She was an attractive looking girl and I thought it should be good so I paid up and waited for the fun to begin. I was somewhat disappointed! Unfortunately she was just coming on her period and although apologetic it was obvious that she was self-conscious about this and this manner put me off somewhat. Nothing she did seemed to be with any great enthusiasm other than the chocolate taste of the jet black condom! A pleasant enough girl in the wrong job...far too clinical for me.
