### The Premises:

Very smart basement flat in Earls Court, two minutes walk from the underground. Lots of room, very smart bathroom and a shower that attacks you from interesting angles ? go and see what I mean.

### The Lady:

What you see is what you get, although her pics do make her appear more severe than she is. Not only is she a big strong girl, but she knows what she likes and is good at, and she has the confidence to ask for it. Although she is too nice for it, one suspects she could have a wonderful time if she bought some kinky boots and a whip ! She is in great shape physically and the sight of her moving naked and unselfconsciously around the flat is very erotic. She is also Sabina (Caprice) or Jasmin (Alphababes).

### The Story:

Great previous review from Mike11, which is absolutely correct, and I wouldn't disagree with a word of it. Yes she gives sensationally energetic oral, happily thrashes around excitedly when being licked to a squealing orgasm, and fucks energetically and in any positions that you want. Unlike Mike, I didn't want any A, but you know that she is game for anything ? as long as she remains in control ? and with her strength and energy, she certainly does that. She loves showering with you, has mastered more English in a month than most foreign WGs do in a year and can chat intelligently on any subject.

The best thing about her is that she is a total enthusiast, kisses you deeply as though she is really pleased to see you, strips off before being asked and jumps up and down on the bed like an energetic teenager. As Mike11 says, God knows what she will be when she grows up, but at the moment she is undoubtedly one of the stars of this really great agency (well done again Susan) and I suggest you go and enjoy a great sexual and fun experience.
