The Premises:

Her place was located in a quiet part of Bristol in St George. Very discreet and plenty of parking. The flat was clean and well equipped !!

The Lady:

Paris is Black which i have always dreamed of having, very very polite and makes you feel at ease. She has gorgeous large breasts and suckable nipples. she stands at about 5ft 6. She has shoulder length curly hair and a nice size ass,(not small) but ample!

The Story:

On entering her bedroom she was full of chat which made me feel relaxed. We discussed the service to which i handed over the money. She told me to undress and sit on the end of the bed. She has an ample size bed and mirrors! When she returned she started her routine which is not like any other massage ive been to, (theres alot more to this one). She put a video on and her music and started to push her black ass up against my chest lowering herself to my lap, as i sit on the edge of the bed. After a while she turned round and let me suck and play with her nipples & tits. Then we french kissed which was a joy. She then played with my cock whilst sucking my nipples which was out of this world. Lots of wanking my cock ,rubbing my cock and sucking nipples, i was almost near to cumming. She then lay me back on the bed and started a wonderful blowjob whilst playing with my nipples. She then cleverly moved onto the bed on her knees still whilst sucking my cock and positioned her pussy over my face before i knew it we were 69. I was then sucking licking her beautiful black pussy. After plenty of this she made me stand at the end of the bed whilst she was still on the bed and gave me another blowjob & putting on the condom whilst i played with her tits & ass, could this get any better i asked. Then she lay back on the bed calling me to her, opened her legs and guided my cock into her wet warm pussy. Whilst fucking her i glanced in the mirror watching her caress all over my body, she was groaning and said she loved to be fucked over the edge of the bed hard, at that point i couldnt contain myself anymore and shot my load. We then cleaned up had a chat kissed. What an afternoon, It goes without saying I will be going back.
