The Story:

After an absence from the Manchester parlour scene I wanted to mark it with something special. So a 2 girl featuring Jade seemed a good idea. I have had 2 girls ,before but they have not been that memorable, this was different it as great fun. Good raunchy sex, loads of kissing and oral. Then condom on and time to shag Abby with encouragement from Jade who said she wanted me to come in her mouth. The finale was both ladies kneeling in front of me receiving my load. Brilliant. Another session with the two of them is called for soon.
