Slim blonde lady in her early 40's I think. Long legs, lovely smile and eyes.

The Story:

First time visit to Jan, I have read her reviews here and elsewhere, and have been trying to visit her for a while. Rang her and found that she'd had a cancellation and was able to offer an appointment. Jan opened the door to me dressed in a short red PVC dress, stockings and high heels. And after an initial 'hello' greeted me with a deep and prolonged kiss. She then led me upstairs to her bedroom for more kissing and touching, imagine my surprise when I discovered she wasn't wearing any knickers!! By this time 'the old man' was straining at the bit and she undressed me and led me to the bed.

What followed was an hour absolute pleasure for me, and I'm absolutely sure Jan had some fun too, Jan has very sensitive nipples and really does appreciate reverse 'O', can't remember if she came twice or three times (No BS).

After I was worn out we chatted for about 15mins and I was then offered a shower, after a final kiss I was escorted to the door and left a very satisfied, happy man.

All in all, if you're looking for a great GFE, and like your ladies 30+, slim and leggy, then this lady is worth waiting for, and worth every penny. Don't waste time in the parlours go and see Jan.
