The Story:

Sally is extremely accomodating and managed to see me at literally ten minutes notice. I am always a bit anxious when punting but she managed to put me at ease with a nice massage paying particular attention to my butt (which was nice!) Then over onto my back for some wonderful OWO - maintaining eye contact is a real turn on for me and watching her go down on me as I stroked her hair was great. Then onto a fantastic hand job as she straddled with my cock so close to her pussy I thought she was going to slip it in at one point!! Back to her oral skills soon had me at the grand finale over her lovely tits. Finally, a well priced local punt that doesnt leave you feeling ripped-off with a girl who seems to enjoy her work. Many thanks to Sally and the others who have reported on her so that I could find her
